

6TH EV INDIA EXPO 2026

AN ELECTRIC MOTOR VEHICLE SHOW

6th International Exhibition on Electric Vehicles, Hybrid Vehicles, Automotive Components & Accessories, Batteries Management and Storage Systems, Charging Equipment's, Charging Infrastructure Devices & Software, Raw Materials and Allied Industries

Driving the Future of Sustainable Mobility

01 02 03 SEPTEMBER 2026

**INDIA EXPO CENTRE, GREATER NOIDA
UTTAR PRADESH, INDIA**

KEY FOCUS AREAS

- Electric Vehicles (2W, 3W, 4W & Commercial Evs)
- Hybrid & Clean Mobility Solutions
- EV Components & Accessories
- Batteries, BMS & Energy Storage Systems
- Charging Infrastructure & Smart Charging Technologies
- Power Electronics, Motors & Drivetrains
- Battery Manufacturing & Recycling Technologies
- Automotive Components & Ancillary Industries
- Connected, Smart & Autonomous Mobility Solutions
- EV Software, Telematics & Fleet Management
- Renewable Energy Integration & Hydrogen Mobility
- Startups, R&D, Testing & Certification Services
- Finance, Insurance & Government Initiative

CONCURRENT EVENTS

ABOUT EXPO

EV India Expo 2026 is **India's Biggest Electric Motor Vehicle Show** and the **6th International Exhibition** on Electric Vehicles, Hybrid Vehicles, Automotive Components & Accessories, Battery Management & Storage Systems, Charging Equipment, Charging Infrastructure, Devices & Software, Raw Materials, and Allied Industries. The expo will be held from 01–03 September 2026 at the India Expo Centre, Greater Noida, U.P., India.

The expo will feature a comprehensive display of electric passenger vehicles, two-wheelers, three-wheelers, commercial vehicles, hybrid vehicles, batteries, energy storage systems, EV components, charging infrastructure, smart mobility solutions, software, power electronics, and advanced manufacturing technologies. As India rapidly accelerates towards sustainable and clean transportation, EV India Expo aims to support the industry's growth by fostering collaboration, innovation, knowledge exchange, and investment across the entire EV value chain.

EV India Expo serves as a premier business platform bringing together leading manufacturers, technology providers, policymakers, industry experts, startups, investors, researchers, and key stakeholders from across the global electric mobility ecosystem. The exhibition provides an ideal opportunity for companies to showcase their latest products, technologies, innovations, and solutions while exploring new business opportunities, partnerships, dealership networks, and market expansion prospects.

OBJECTIVES

- Promote Electric Mobility and Sustainable Transportation
- Bring Together the Entire EV Ecosystem
- Encourage Business Networking and Partnerships
- Showcase Innovative Technologies and Products.
- Facilitate Knowledge Exchange and Industry Dialogue
- Support Startups, Research and Innovation
- Promote Investment and Market Expansion
- Strengthen India's EV Manufacturing and Supply Chain Ecosystem
- Create Awareness About Clean Mobility Solutions
- Contribute Towards India's Vision for Sustainable Mobility Event Highlights:

VISION OF EV INDIA EXPO

The vision of EV India Expo is to become India's leading and globally recognized platform for advancing electric mobility, sustainable transportation, and clean energy solutions. The expo aims to accelerate the transition towards a low-carbon future by bringing together industry leaders, innovators, policymakers, investors, researchers, and stakeholders from across the electric mobility ecosystem.

EV India Expo envisions fostering innovation, promoting technological advancements, encouraging investment, and facilitating strategic collaborations that contribute to the growth and development of the electric vehicle industry. The expo strives to support India's vision of becoming a global hub for electric vehicle manufacturing, battery technologies, charging infrastructure, and smart mobility solutions.

Through knowledge sharing, business networking, and showcasing next-generation technologies, EV India Expo seeks to drive the widespread adoption of electric mobility, strengthen the domestic EV value chain, and contribute towards building a cleaner, greener, and sustainable transportation ecosystem for future generations.

"To drive the transformation towards sustainable, smart, and zero-emission mobility by creating a world-class platform that connects innovation, industry, and investment across the global electric mobility ecosystem."

HIGHLIGHTS

200 + Exhibitors | 20,000 + Visitors,
5 + Business Networking Activities

EXHIBITORS PROFILE

- Electric Cars, SUVs, Passenger Vehicles & Utility Vehicles
- Electric Two-Wheelers & Three-Wheelers
- Electric Buses, Electric Truck, Electric Train, Electric Tractor, Electric Boat, Cargo Loader Electric Vehicle & Fleet Mobility
- Electric Cycle, Electric Rickshaw, Electric Tricycles, Electric Golf Cart
- Hybrid & Alternative Fuel Vehicles
- EV Startups & Smart Mobility Companies
- Hydrogen & Alternative Fuel Mobility Solutions
- Electric Charging Station and Equipment's
- EV Chargers & Connectors, Devices & Smart Charging Solutions
- Charging Infrastructure Developers & Operators
- Smart Charging, IoT & Energy Management Solutions
- Electric Vehicle Batteries Manufacturers (Lithium-ion, Lead Acid, Solid-State, etc.)
- Battery Management Systems (BMS)
- Battery Storage Management
- Energy Storage System (ESS), Solutions & Technology
- Battery Manufacturing Machinery & Equipment
- Battery Recycling Machinery and Solutions

- Raw Materials, Cells, Modules & Battery Pack Technologies
- Automotive Components, EV Parts & Accessories
- Auto Ancillary Industries and OEM 's
- Tyre Manufacturers
- EV Motors, Controllers & Drivetrain Manufacturers
- Powertrain, Power Electronics, Semiconductor, BLDC Motors Controllers & Drivetrain Systems
- Telematics, IoT, AI, Mobility Software Fleet Management & Connected Mobility Solutions
- Chemical, Surface Coating, Raw Materials for Batteries and EV Components

- Embedded Systems, AI, IoT & Connected Vehicle Technology
- Laboratory, Testing, Certification, Inspection Safety & Quality Solutions
- Renewable Energy Companies (Solar Integration for Evs)
- Hydrogen Mobility & Emerging Clean Transportation Technologies
- Banks, Financial Institutions, Leasing & Insurance
- Government Agencies, Industry Associations & Trade Bodies
- Consultancy, Engineering & Technology Service Provider
- R&D Institutions, Universities, Innovation, Startups & Technology Incubation

WHY EXHIBIT

- Showcase Your Vehicle, Latest Products and Technologies
- Launch of New Products and Innovations
- Generate High-Quality Business Leads
- Meet Dealers, Distributors, and Channel Partners
- Connect with OEMs, Fleet Operators, and Corporate Buyers
- Strengthen Brand Visibility and Market Presence
- Network with Industry Leaders, Policymakers, Investors, and Technology Experts
- Explore Export and International Business Opportunities
- Gain Valuable Market Insights

VISITORS PROFILE

- Vehicle Manufacturers & OEMs
- Dealers, Distributors, Retailer & Suppliers & Channel Partners
- Charging Infrastructure Developers & Operators
- Fleet Owners & Fleet Management Companies
- EV Startups & Entrepreneurs
- Procurement Heads & Purchase Managers
- Smart City Planners and Urban Mobility Solution Providers
- Infrastructure Developers & EPC Companies
- Policymakers, Regulators & Government Agencies
- Transport Authorities, Municipalities & Development Authorities
- State Environment & Transport Departments
- Automotive Component Manufacturers
- Importers, Exporters & International Buyers
- Automotive Engineers & Design Professionals
- Consultants, Advisors & Project Developers
- Facility Management Companies
- R&D Professionals and Technology Experts
- Software Developers & Telematics Companies
- Renewable Energy Companies
- Automotive & EV Industry Professionals
- Battery & Energy Storage Professionals
- Supply Chain Organisations
- Public Health Departments
- Builders & Developers
- Hospitals and Hotels
- Pollution Control Boards
- Environmentalists, NGO Environment Consultants
- RWA'S, & Eco Clubs
- Financial Institutions, Banks & Insurance Companies
- Investors, Venture Capitalists & Funding Agencies
- Education & Research Institutes, Universities & Technical Institutes.
- Corporate House, Corporate Buyers & Institutional Purchasers
- E-commerce, Logistics & Last-Mile Delivery Companies
- EV Enthusiasts. Analysts & Industry Influencers
- Print and Electronic Media
- Trade Media & Trade Associations
- Direct Buyers & General Public

BENEFITS OF PARTICIPATION

- Meet high quality prospects and decision Makers
- Brand Building opportunity among industry
- Direct interaction with industry suppliers, buyers and distributors
- Access to an extensive network of professionals.
- Connect with international industry participants.
- Showcase your latest technologies, products and services
- New import & export opportunity
- Network with Industry professionals
- A platform to engage with a diverse, international audience.
- Interactive sessions with potential clients and partners.
- A platform to launch new products
- Explore Joint Ventures & partnerships

E-CHARGE FORUM 2026

International Summit on
Electric Vehicle Charging Technology
& Infrastructure Developments

THEME: Charging Ahead:
Building the Future of Sustainable Mobility

01 SEPTEMBER 2026
INDIA EXPO CENTRE
Greater Noida, U.P., India

TOPICS

- EV Charging Infrastructure
- Fast Charging & Ultra-Fast Charging Technologies
- Integration of Renewable Energy with EV Charging
- Grid Modernization and EV Integration
- Battery Technologies and Charging Innovations
- Investment, Financing & Business Models
- Battery Swapping Ecosystem
- Policy, Incentives & Regulatory Framework
- Emerging Technologies in E-Mobility
- Sustainability and Circular Economy

EV FUTURE OF TRANSPORT

International Seminar on Type Test and Safety Standard

NOVEMBER 2024 | INDIA EXPO CENTRE GREATER NOIDA, U.P., INDIA

National Seminar on **ELECTRIC VEHICLES** -Future Transport

02 SEPTEMBER 2026

INDIA EXPO CENTRE
& MART
GREATER NOIDA
U.P., INDIA

TOPICS

- ▶ Government Policies and Incentives for EV Adoption
- ▶ EV Manufacturing and Localization
- ▶ Advances in Battery Technologies
- ▶ EV Charging Infrastructure Development
- ▶ Battery Swapping: Opportunities and Challenges
- ▶ Integration of Renewable Energy with Electric Mobility
- ▶ EV Safety, Testing, and Standards
- ▶ Investment and Financing in the EV Sector
- ▶ Startups, Innovation, and Entrepreneurship in E-Mobility
- ▶ Achieving Net Zero Through Sustainable Mobility

E-MOBILITY Awards 2026

Organisers

The **E-Mobility Awards 2026** is a prestigious recognition platform dedicated to celebrating excellence, innovation, leadership, and outstanding achievements across the electric mobility ecosystem. Organized alongside **EV India Expo 2026**, the awards aim to honor organizations, startups, innovators, researchers, policymakers, and individuals who are driving the transformation towards sustainable and smart mobility.

The E-Mobility Awards recognize pioneering efforts that have significantly contributed to the advancement of electric vehicles, battery technologies, charging infrastructure, energy storage systems, smart mobility solutions, and allied industries.

By recognizing the industry's trailblazers and changemakers, the E-Mobility Awards 2026 aims to promote innovation, foster healthy competition, and strengthen the electric mobility ecosystem while supporting the global vision of a cleaner, smarter, and more sustainable future.

AWARD NOMINATION CATEGORIES

VEHICLE

- Best Electric Passenger Vehicle of the Year
- Best Electric Car of The Year
- Best Electric Two-Wheeler of the Year (Electric Scooter and Bike)
- Best Electric Three-Wheeler of the Year
- Best Electric Commercial Vehicle of the Year
- Best Electric Bus of the Year
- Best Electric Fleet Vehicle of the Year
- Best Electric Cycle of the Year
- Best EV Seller of the Year
- Best EV Exporter of the Year
- Biggest EV Dealer and Chanel Partner of the Year
- Emerging EV Model of the Year
- Best Electric Vehicle of the Year (Car, Scooter, Bike, Cycle, Bus Truck, Tractor, Van, Golf Cart, E-Rikshaw, Van, Boat etc)

TECHNOLOGY & INNOVATION

- E-Mobility Innovation of the Year
- Battery Technology Innovation
- Charging Technology Innovation
- Battery Management System (BMS) Innovation
- Powertrain Innovation
- Autonomous & Smart Mobility Innovation
- Breakthrough Technology in E-Mobility
- Best Electric Vehicle Technology provider of the Year
- Best Battery Technology Provider of the Year
- Top EV Battery Manufacturer of the Year

Charging Infrastructure

- EV Charging Infrastructure Company of the Year
- Fast Charging Solution Provider of the Year
- Charging Network Operator of the Year
- EV Charging Startup of the Year
- Home Charging Solution of the Year
- Leader In EV Charging Station
- Best EV Charging Equipment Manufacturer of the Year

MANUFACTURING & SUPPLY CHAIN

- EV Manufacturer of the Year
- Battery Manufacturer of the Year
- EV Component Manufacturer of the Year
- EV Ancillary Company of the Year

- Sustainable Manufacturing Excellence Award
- Localization Excellence in EV Manufacturing Award
- Best Make in India BMS (Battery Management System)

STARTUP & ENTREPRENEURSHIP

- EV Startup of the Year
- Emerging E-Mobility Startup Award
- Clean Mobility Entrepreneur of the Year
- Women Entrepreneur in E-Mobility
- Young Innovator in E-Mobility

SUSTAINABILITY & IMPACT

- Green Mobility Initiative of the Year
- Sustainable Mobility Leadership
- Carbon Reduction Excellence
- Circular Economy Initiative in E-Mobility
- Best EV Recycling Initiative

FLEET & MOBILITY SERVICES

- Electric Fleet Operator of the Year
- Shared Mobility Company of the Year
- Last-Mile Mobility Solution of the Year
- EV Leasing Company of the Year
- Fleet Electrification Excellence Award

PUBLIC SECTOR & POLICY CATEGORIES

- Outstanding Contribution to E-Mobility
- State Government Promoting E-Mobility
- City Leading E-Mobility Adoption
- Public Transport Electrification

INDIVIDUAL/ INSTITUTIONAL RECOGNITION

- E-Mobility Leader of the Year
- Lifetime Achievement Award in E-Mobility
- CEO of the Year – E-Mobility Sector
- Women Leader in E-Mobility
- Industry Excellence Award in Electric Mobility
- Best EV Designer (Interior & Exterior) of the Year
- Best EV Engineer of the Year
- Best EV Technology Developers of the Year
- Best EV Software Developer of the Year
- Best EV Financier of the Year
- Best EV Insurer of the Year

SPONSORSHIP & BRANDING OPPORTUNITIES

WE HAVE NUMEROUS SPONSORSHIP OPPORTUNITIES

EV INDIA EXPO 2025 : GLIMPSE

Our Forthcoming EVENTS

23-24-25 JULY, 2026

India Expo Centre, Greater Noida, U.P., India

20-21-22 AUGUST, 2026

Bharat Mandapam, Pragati Maidan, New Delhi, India

01-02-03 SEPTEMBER, 2026

India Expo Centre, Greater Noida, U.P., India

DATES ANNOUNCING SOON

16-18 SEPTEMBER 2026

IMPACT Exhibition and Convention Centre, Bangkok, Thailand

02-04 NOVEMBER 2026

Bharat Mandapam Pragati Maidan, New Delhi, India

17-19 NOVEMBER 2026

India Expo Centre & Mart Greater Noida, Uttar Pradesh, India

21-23 JANUARY 2027

CIDCO Exhibition & Convention Centre Navi Mumbai, Maharashtra, India

JANUARY 2027

Helipad Exhibition Centre (HEC) Gandhinagar Gujarat, India

03-05 JUNE 2027

India Expo Centre & Mart Greater Noida, U.P., India

03-04-05 JUNE, 2027 | India Expo Centre & Mart Greater Noida, U.P., India

ORGANIZERS

INDIAN EXHIBITION SERVICES (IES)

Indian Exhibition Services (IES) is a leading exhibition organizing company in India, actively involved for several years in creating strong business platforms through B2B exhibitions, seminars, conferences, buyer-seller meetings, and other trade promotion activities. We have been continuously engaged in the development of MSMEs, providing effective business promotion platforms for small-scale industries to showcase and promote their products. Our core objective is to create a strong bridge between buyers and suppliers within the MSME ecosystem, enabling sustainable business growth and long-term partnerships.

The core strength of Indian Exhibition Services lies in acting as a reliable connector between buyers and sellers. Every event organized by IES has been a resounding success, aligned with our commitment to maintaining international standards in delivering high-quality, professionally managed, and value-added exhibitions and events. In addition, IES actively works with corporates and large industries, offering powerful trade exhibition platforms to promote their products, strengthen brand value, and accelerate business growth through well-curated industry-focused events.

GREEN SOCIETY OF INDIA (GSI)

Green Society of India (GSI) is a registered and non-profit organization under the societies registration act XXI of 1860 with its head office in New Delhi (India) and working for the environment protection with the aim to create environmental awareness and involved in research, investigative, educational work in the field of pollution, forest, wildlife, land & water use and various aspects of the environment.
